REALTORS® CARE - Charity of Choice 2022 for the Woodstock Ingersoll & District Real Estate Board

Woodstock, Ont. The Woodstock-Ingersoll & District Real Estate Board would like to announce their application for the 2022 Charity of Choice is now available.

“This will be the fourth year since WIDREB began selecting a Charity of Choice to help drive our fundraising activities and donations to make them more impactful,” said President Alison Porter. “Our REALTORS® Care Committee, accepts these applications and with predetermined criteria, they go through them to identify the charitable organization that WIDREB would like to support for that year”.

“The committee is looking for charities that impact Oxford County, what they provide to our communities here in Oxford.” said Porter. “The application also asks how COVID-19 has impacted your organization and how much you rely on fundraising. The applications are available now and are due on December 31, 2021. In early 2022 the committee will meet and go through the applications and choose the Charity of Choice for 2022.”

The Charity chosen will be nominated for our Ontario REALTORS® Care Foundation’s grant. Our REALTORS participate in the *Every REALTOR* campaign; where WIDREB donates \$1.00/member/month, which is collected through their monthly assessment fees and are donated to the Foundation. Additional monies donated from WIDREB are raised through our annual events throughout the year.

WIDREB will be continuing to adopt an annual Charity of Choice in the years to come and the 2022 selection is underway, we encourage any local charity to reach out to us for an application to be considered. If you are a local charity of Oxford County and would like to be considered, contact our REALTORS® Care staff liaison, Mary Baxter at mary@widreb.ca for more details.
