REALTORS® CARE FOOD DRIVE IS A SUCCESS

Woodstock, Ont. – On October 17, the Woodstock-Ingersoll & District Real Estate Board hosted their 3rd Annual WIDREB Trade Show & Tech Day.

This year they held a 50/50 draw and a Silent Auction. All proceeds were donated to a charity. Their charity of choice this year was Andrew’s Legacy. \$2,000 was raised to support this local charity. Andrew’s Legacy #11Forever is a family fund that creates awareness of the importance of CPR & Defibrillators.

In an instant, the Stoddart family’s lives were changed forever when Andrew suddenly collapsed on the field while playing soccer on May 11, 2015. His heart stopped. Despite all efforts to revive him, Andrew was pronounced dead at the hospital. His heart went into an arrhythmia and never regained a regular beat. Just a regular teen, Andrew’s life was taken from all who loved him much too soon. Had an AED (Automated External Defibrillator) been present, Andrew might still be with us today. This tragedy motivated Andrew’s mother, Cara, and aunt, Krista to start a fund in his memory at London Community Foundation. They are raising money to have AED machines in all schools in Thames Valley District School Board.
