WIDREB office closed to the public until further notice

On Monday, March 16, 2020, the Woodstock-Ingersoll & District Real Estate Board has made the decision to close the office to the public until further notice.

“In the midst of COVID-19, our Board of Directors have made the necessary decision to close the office to the public in order to participate in social distancing,” commented WIDREB President, Lesley Michie. “The safety of our staff, volunteers, members, and their clients is of the utmost importance and we felt that this is a necessary step to take to minimize further spread of COVID-19”.

Although, the office is closed to the public there are still staff on-site for the time being and the business will continue its regular operations. But if necessary, WIDREB has measures in place to allow staff to work remotely.

In addition to the office being closed to the public, WIDREB has also announced the cancellation of several member and public events scheduled in April and May. One of the events that is being cancelled is the 10th Annual Local REALTORS® Care Food Drive, which was scheduled for May 6th, 2020.

“It is unfortunate, but necessary for WIDREB to cancel our current scheduled Local REALTORS® Food Drive, but we can’t ignore the current circumstances. This is such a great event that helps put a lot of food in our local food banks, so we are being optimistic and hopeful that we will be able to host this event at a different time in 2020,” commented President Michie.

Any requests for services can still be made by calling the office during business hours at 519-539-3616 or through email at admin@widreb.ca.
