REALTORS® CARE - Charity of Choice for the Woodstock Ingersoll & District Real Estate Board

Woodstock, Ont. The Woodstock-Ingersoll & District Real Estate Board would like to announce their 2022 Charity of Choice as the Wellkin Child & Youth Mental Wellness

“This is the fourth year since WIDREB began selecting a Charity of Choice to help drive our fundraising activities and donations to make them more impactful. This year we had twelve local charities apply to be our Charity of Choice in 2022,” said President Anthony Montanaro. “Our REALTORS® Care Committee, accepts these applications and with predetermined criteria they go through them to identify the charitable organization that WIDREB would like to support for that year.”

“I am honoured to receive the news that Wellkin Child & Youth Mental Wellness has been chosen as the Charity of Choice for WIDREB. Children & youth need our help now more than ever, and this donation will truly make a difference in the lives of Oxford children & youth. Mental health can’t wait, and these funds will be extremely helpful to Wellkin to continue to provide best-in-class services,” said Executive Director of Wellkin, Kelly Baker.

“The last two years have been extremely challenging on the mental health of our kids and youth, and their families. Letting them know that we are here for them, and that WIDREB has donated to Wellkin sends an invaluable message to the Oxford community. It’s been a difficult two years for children & youth; to be chosen and supported by WIDREB speaks volumes to the compassion and generosity of the WIDREB members” continued Baker.

WIDREB REALTORS® are looking forward to volunteering with Wellkin Child & Youth Mental Wellness as well as raising donations for them throughout the year.
